

The Woodlands Fire Department Operational Guidelines

SR-06 - BOMB THREATS

1.0 PURPOSE

To ensure the health and safety of all TWFD personnel when responding to reports of bomb threats.

2.0 SCOPE

This guideline will apply to all personnel operating under a bomb threat.

3.0 GUIDELINE

3.1 Fire Com will advise the on-duty Battalion Chief of the location of the threat, approximate time of detonation or any pertinent information relating to the threat.

3.2 The on-duty Battalion Chief will contact the closest engine company to the threat and advise the engine company of the pertinent threat details. At no time will an engine company respond to the location of a threat unless a detonation occurs, or when instructed to do so by the on-duty Battalion Chief.
